

Get 2 volunteers before the meeting and hand them the Gossip Skit

Take 1 - GOSSIP

Matilda - Did you see they way Pastor did that Altar call? uh uh uhm.

Bernie - Yeah, he was a bit too over the top with all that Hell, fire and brimstone stuff. Altar calls are about LOVE.

Matilda - Yeah, and, he waited f-o-r-e-v-e-r ! You know, I've got lunch plans after church.

Bernie - Last week we were so late to our lunch with family that all the rice gone. Can you imagine ... garlic chicken with NO RICE?

Matilda - Oh man, thats bad .. I think I'm gonna be like some of those other folks and "run for the door" when Pastor starts doing the altar call. At least we won't go hungry

Take 2 - NOT TO GOSSIP

Matilda - Did you see they way Pastor did that Altar call? uh uh uhm.

Bernie - Yeah, too bad no one raised their hand.

Matilda - Yeah, and, he waited f-o-r-e-v-e-r ! You know, I've got lunch plans after church.

Bernie - But Matilda, even if one had come forward, wouldn't that have been worth the wait?

Matilda - Yeah, I guess so. But I don't like all that waiting.

Bernie - You know Matilda, if you really have some input for Pastor on how he should do altar calls, you should go talk to him. Pastor will listen.
